TEST 1

YOUR OWN BUSINESS

© samdergi.com

Since the current economic situation is pretty bad, you have decided to be your own boss and set up your own company. Talk about this subject taking into account the following points:

- Pros and cons of being your own boss
- What other people you will need to establish your business
- What your business will be like

You have 2 minutes for individual preparation. Then talk for 3-4 minutes. Your production will be recorded.
